FOR IMMEDIATE RELEASE

### ***Group Rating Saves Employers Significant Money on Workers' Comp***

Each year at this time, employers may be approached by several different workers' compensation group rating program administrators encouraging them to apply for their program. More than 300 workers' compensation group rating savings programs are offered throughout Ohio and choosing the right program can be difficult.

#### **Why do Employers Need Group Rating?**

Ohio's business climate demands that you control every aspect of your business expenses. This makes workers' compensation group rating more important than ever. Take advantage of one of Ohio's premier group rating programs. The Tallmadge Chamber of Commerce and **THE BUCKEYE WORKERS' COMPENSATION ALLIANCE** administered by Compensation Consultants Inc. (CCI).

#### **Group Savings**

Through this Buckeye Alliance, CCI is able to provide Tallmadge Chamber of Commerce members savings ranging from as high as 90% to as low as 15% for those companies with claims.

CCI has saved Ohio employers more than \$900 million in workers' compensation premiums and your Tallmadge Chamber of Commerce membership may already qualify you for the group.

#### **Take Control of Your Bottom Line Now!**

Whether your company is participating in another group rating program, or did not qualify in the past, you can potentially save thousands more with the Tallmadge Chamber of Commerce and the BUCKEYE ALLIANCE administered by CCI. Companies who did not previously qualify due to a penalty rating may qualify this year.

Current members of the Tallmadge Chamber of Commerce Workers' Compensation Group Rating Program will be automatically re-enrolled for the 2008-2009 year as long as they continue to meet criteria. Because group rating has a short enrollment period with the BWC, it is important for employers to apply immediately for savings on their 2008-2009 premiums. For a no-cost, no-obligation analysis of your potential premium savings, please contact CCI today at 800.837.3200 / [info@ccitpa.com](mailto:info@ccitpa.com) or apply online at [www.cciworkerscomp.com/groupratingapplication/Tallmadge](http://www.cciworkerscomp.com/groupratingapplication/Tallmadge).
